San Antonio 110 9/11 Memorial Climb

What: 2020 SAN ANTONIO 110 9/11 Memorial Climb
Re: Event Venue Change - TOA changed to Heroes Stadium
Info: www.SanAntonio110.com

On Saturday, **September 11th**, 2021, First Responders and citizens from all over the country will once again join together to pay tribute to their fallen brethren. The San Antonio 110 has consistently been one of the **largest 9/11 Memorial climbs in the world**. This is our 9th year.

This year, due to the rise in Covid in our community, for the safety of our first responders, volunteers, and community, **we will not be holding our memorial climb within the confines of the Tower Of The Americas stairwell**. In a need for a safer environment for our participants we reached out to our community and our call was heard and some wonderful people stepped up to help us.

NEISD has donated Heroes Stadium to hold this year's San Antonio 110 9/11 Memorial Climb.

Fitting by it's name, they have become our own heroes in allowing us a safe venue to once again join as a brotherhood and community to pay tribute to our fallen brethren TOGETHER. Last year, due to Covid, we were forced to hold a virtual event. We are very grateful for this amazing contribution which will allow us to climb as a collective once again. This is especially important as this is the 20th Anniversary of the 09/11/01 attacks at the WTC Towers and the loss of so many brave men and women.
